

What you told us you wanted

- Front gardens**
  - Improve aesthetics by adding window boxes and hanging baskets
  - Manage overgrown vegetation to allow good access along the pavement
  - Unify boundary treatment by painting walls and fence different shades of the same colour
  - Add street trees
  - Provide alternative cycle parking on the street
- Community focal point**
  - Change of surface treatment - painting
  - Cycle storage
  - Planting
  - Informal seating and opportunities for play
- Car park**
  - utilise parking spaces for play off peak - none match days
  - Open up bank for play - retrofit rail, install slide and climbing vegetation
  - Encourage biodiversity with different surfacing - gravel, reinforced grass
  - Formalise a graffiti wall for youths
